LADA Productions Christmas Panto 2024

Dear parents and carers,

As you may remember, as part of our Christmas celebrations last year, we invited LADA Productions to perform their Sleeping Beauty panto for the children. This was thoroughly enjoyed by all, and was such a success that we have invited them back this upcoming Christmas season to perform for us again.

They will be visiting on Tuesday 17th December to perform their Dick Whittington panto in the main hall during the afternoon. This is what they have to say about 2024's panto:

"Dick Whittington and His Cat" is a classic English folk tale that tells the inspiring story of a young, impoverished boy named Dick Whittington. Believing the streets of London are paved with gold, Dick sets out on a journey to seek his fortune in the bustling city. However, upon arrival, he finds the reality much harsher than expected and considers returning home.

This enduring story highlights themes of perseverance, luck, and the power of belief, making it a beloved tale for generations.

LADA Productions have fantastic reviews from a variety of different venues, as well as lots of happy school children and teachers!

If you would like to see a trailer of the production, please type the following website address into your web browser, we're sure you will agree that the children will be impressed! <https://vimeo.com/973918822>

The cost of the panto is **£3.56** per child. This must be paid on ParentPay by **Friday 29th November 2024**.

If you do not wish your child to take part, or have not paid prior to the day of the panto, they will take part in alternative learning activities in class. As always, your child's participation is dependent on their consistent good behaviour in school right up to the day. If your child is unable to take part due to poor behaviour, any monies paid will not be refunded.

Thank you for your continued support,
