Years 5 and 6 Ancient Greece Workshop

Dear parents/carers,

As a part of their history curriculum, years 5 and 6 have been learning all about the fascinating world of ancient Greece. We are delighted to announce that, in order to support their understanding of this topic, we have arranged a visit from the Doncaster Cultural Curriculum to deliver a workshop to the children. The *'Let's Dig Ancient Greece'* workshop includes lots of hands-on learning opportunities, and the children will get to take part in their own archaeological dig to see how we find out about the past. The workshop will take place **in school on Thursday 28th November 2024.**

By hosting the workshop at school rather than travelling to the museum, we have been able to keep the cost of the workshop to **£3.34 per child.** If you would like your child to take part, please complete the slip below and make the necessary payment via ParentPay by Friday 8th November. If you do not want your child to take part, or have not paid by the date of the workshop, they will complete other learning-based tasks with a member of staff.

As always, your child's participation depends on their behaviour in school up until the day of the workshop. If your child is unable to take part due to their behaviour, no monies will be refunded.

Thank you for your continued support.
