Leanimals Mobile Zoo

Dear parents and carers,

We are excited to announce that as part of our learning for this term, children in F1 (Nursery) and F2T will be visited by Leanimals Mobile Zoo on Monday 19th May 2025.

Children will experience hands-on encounters with different species of animals and be educated about the natural behaviour, biology, habitats and diets of exotic species. Children will have the opportunity to meet and interact with rare and exotic invertebrates, reptiles, amphibians, birds and mammals from around the world.

For further information on some of the animals your child will have the opportunity to meet, please visit the Leanimals website: www.leanimals.co.uk

The workshop will take place within school during normal school hours, and each class will spend approximately an hour and a half learning about and interacting with the animals. The cost of the experience is £4.50 per child, this is to be paid on ParentPay by Friday 25th April 2025. If you wish your child to take part, please complete the consent slip below and return to your child’s class teacher.

Yours sincerely,

Mrs C Hodgson
EYFS Lead
