Important Safeguarding Alert

Dear Parents and Carers,

We are writing to inform you of a safeguarding alert that we have received from Doncaster City Council.

There have been 2 incidents within the last week, where students have been approached on their way to or from school by adults, asking them to get into their cars. These incidents have been reported to the police with descriptions of the cars and adults provided. This has affected both Primary and Secondary students.

We will be speaking to children about these incidents in an age-appropriate manner, and need to inform all parents of the incidents, so appropriate steps can be taken to safeguard our children.

Thank you for your continued support.
