Year 4 Times Tables Day

Dear parents/carers,

As you will be aware, the children in Year 4 will sit their Multiplication Tables Check in June. In order to encourage more practice and enthusiasm for times tables, we have organised a times tables day for all **Year 4** pupils in 3/4E and 4/5M on **Thursday 22nd May**. The day will be filled with various times tables activities including a class vs. class battle on Times Tables Rockstars! Children are encouraged to come dressed to school as a 'rockstar' and there will be a prize for best costume.

We will also be running a Times Tables Rockstars competition over the half term break. There will be prizes for the five children who complete the most minutes, with a £20 Smyths voucher going to the child in first place!

Times tables boosters will continue on a **Wednesday** after school until Wednesday 4th June. If your child does not already attend the booster and you would like them to, or you have any further questions about supporting your child with times tables practice, please speak to your child's class teacher.

Thank you for your continued support.
