Eco-Schools Green Flag Award

Dear Parents and Carers,

We are pleased to share that this year pupils will be working alongside Mr Jackson in pursuing the Eco-Schools Green Flag Award for our school. This prestigious award recognises the collective efforts of our pupils and staff in caring for our local environment and supporting our community.

Our aim is to reduce our carbon footprint and raise awareness of environmental issues and how we can all play a small part in making changes.

These are just two of the projects we are working on this year:

Plastic Artwork

Our school council has been working hard designing posters to encourage parents/carers and children to bring in their unwanted plastic into school. The posters will be displayed around the school. Each class will then create a piece of artwork using the plastic around the theme of "Marinelife". The artworks will be displayed at our upcoming summer fayre on **Friday 2nd July**.

We have asked pupils to bring into school, waste plastics (washed) such as bottle tops yoghurt pots etc in order to create their class artwork

Meat Free Mondays

You may be aware that we have introduced a Meat Free Monday project. Pupils across the school took part in a survey and chose 3 vegetarian meals out of a possible 6, that they wanted to see on the menu. Working with our catering staff, we have implemented the pupils choices into the existing menu. This means that there will be no meat or fish options on the menu every Monday.

The pupils wanted to raise awareness of eating healthy and animal welfare and we hope you will support us in this project.

We will have more exciting projects coming up over the next year and we will keep you updated, once again thank you for your continued support.

Miss K Elliott and Mr P Jackson
School Council Champion
