

18th September 2026

Dear Parents and Carers,

Since September 2022 we have been following the 'Twinkl Phonics' scheme and we have seen great progress being made in our children's reading along with the support from our parents. Phonics is taught daily from Nursery to Year 2, with each year group being taught various 'levels' depending on the needs of each child. Your child will then sit a phonics screening test in **Year 1** which will take place on the week commencing Monday 14th June.

It is vital that your child has the opportunity to read their 'Rhino Reader' book at least 5 times a week, this book is fully decodable so that your child is able to read the book to you independently. It is important for you to then read the second book to your child, this is their 'reading for pleasure' book to develop children's love of reading and their comprehension skills.

Attached is information on what each phonics level consists of and in which year group each level will be taught. The current phonics level that your child is working on will be stuck in their homework book so that you are aware of the phonic sounds that are being taught.

If you have any phonics related questions, please feel free to speak to your child's class teacher and they will be happy to answer any questions.

Thank you for your continued support.

Kind Regards

Mrs C Hodgson
