Dear Parents/Carers

On **Tuesday, 6th October** our school photographer will be in school to take individual and sibling photos of all year groups from Nursery to Year 6. Vicki is a local photographer who specialises in school and nursery photography and comes to us with a reputation for offering an excellent service at affordable prices. As a parent to two primary aged children herself, Vicki has tailored her service to be accessible by all, including special offers for those with more than one child. As well as receiving multiple photographs to choose from, you can also choose to buy more than one of photos within the same pack, so you no longer need to purchase one pack per photo or per child.

Parents with more than one child in school may wish to have a family photograph. If so, please return the slip below by **Thursday, 24th September to ensure your request can be facilitated**. Where babies and toddlers are to be included in family photographs, parents are requested to bring their children to the **main school hall for the start of the session at 8:00am to oversee the photo session**.

If you are bringing pre-school children to have their photo taken with your child, but only have one child in school, you *do not* need to return the slip below as well, just come to the main hall at 8.00am.

All children will have an individual photograph taken for our school records. Parents will also receive a proof of the print, but you are under no obligation whatsoever to purchase any.

Once the photographs have been taken you will receive an email from Vicki for you to view your photographs and place any orders online. Any orders placed by the deadline will be delivered in time for Christmas.

Yours sincerely
Mr N Harris
Headteacher

Please return ONE slip only, with the eldest child by Thursday 24th September

I wish my children listed below to have their photograph taken together:
